

PRODUCT NAME
Uruk 95

PRODUCT CODE
U095A

This workout set is especially suitable for freestyle use thanks to couple of extremely long bars and a pair of freestyle parallel bars. The playground also includes a lot of horizontal bars in different heights and number of various accessories for stretching and strengthening of all body parts. This set is designed for an area of 95m² and dimensions of 10,5 x 9 meters while maintaining safe distances between all elements according to a safety norm EN 16630.

Uruk is a generic name for combined fitness park by RVL13. It usually includes one (or more) main workout station and various number of accessories all put together to provide the best workout experience. Each Uruk includes several horizontal bars in different heights, dip bars, workout benches and infoboard with visiting rules and exercise tips. All Uruk setups are highly optimized, but they can be freely upgraded with extra workout elements, outdoor weightlifting machines or combined with a parkour park.
