

PRODUCT NAME
Maga 104

PRODUCT CODE
EM104A

Parkour parks MAGA are typical for their use of lego-type concrete blocks, thanks to which the playground gains even more authentic feel for practice of various parkour tricks. Maga 104 will easily satisfy athletes of all skill levels.

Parkour parks RVL13 offer the possibility of quality training of strength, balance and dynamic tricks. Although parkour can be practiced anywhere in the countryside or urban areas, the best solution for training of individual movements is the safe environment of a quality parkour park with a soft sports surface. Each setup is designed to offer the widest possible range of routes and obstacles of various types from balance beams to walls, jumps and inclined platforms.
