

PRODUCT NAME

Multi-Barbell (7.68)

PRODUCT CODE

MB 7.68

Exercises on this equipment allow you to train almost all muscle groups of the body, depending on the chosen exercise.

Outdoor trainer with patented variable loading weight system is developed for physical exercises focused on power and physical endurance training. The fitness equipment can be used in any weather and climatic conditions and can be expeditiously placed on any surface. Additional preparation, construction and engineering work, assembly and dismantling is not needed while equipment deployment.
